

# 2024 ETH Beijing HACKATHON

*Hosted by PKU BLOCKCHAIN*

April 12-14 2024

META SPACE (751)

# Introduction of PKU Blockchain DAO

PKU Blockchain DAO is a subsidiary organization of Peking University Open Source Software Association, established in December 2020. Upholding the ideal of open source, we are committed to creating open source public goods in the blockchain world, serving developers, researchers and university communities. At present, the multi-media communication channels such as Twitter, Bilibili and Official Accounts have reached a cumulative total of **150,000+** people, among which the number of public class on Bilibili has exceeded **30,000**.

# What is ETH Beijing?

ETH Beijing Hackathon will be held in Beijing on April 12-14, 2024, organized by PKU Blockchain and Web3 open source university WTF Academy.

Participants will develop creative projects on three tracks, **open research/public goods/layer2**, during the three-day competition. In addition to the prize money, the outstanding team that wins the final will also receive subsequent investment and incubation opportunities. Experts from world's leading universities, technical eco-communities and institutions are willing to provide constructive instructions.

01

## *Public Goods*

Build open-source projects on Ethereum

Prize: \$5,000 / \$3,000 / \$2,000

02

## *Innovative Layer2 Dapp*

Build projects on Layer 2 that surprise

Prize: \$5,000 / \$3,000 / \$2,000

03

## *Open Research (for non-coders)*

Data/ Policy/ Security/ MEV/ Anti-sybil...

Prize: \$5,000 / \$3,000 / \$2,000

# What the participant say?

烟波 ✅ @YanboOfficial · Apr 5, 2023

#ETHBeijing

感觉现在发生的一切 就像一场梦一样.....

与团队里的队员 第一次见面

原先Web3新闻里的大佬 0距离交流

感谢@PKUBlockchain 和 @WTFAcademy\_ 给我们的这次机会

让我们能有一个展示自我的机会

...

Mikko Ikola @MikkoIkola · Apr 7, 2023

...

Greets from @EthereumBeijing hackathon. It's a cozy one, capped at 150 participants. We've been building at cool "Web3 Cafe" and nearby tea house near Tsinghua/Peking university. Lot of 聪明 and 努力 participants

👉 One more day to go. 加油大家! #EthBeijing

...

Lillian @7Lillian8 · Apr 19, 2023

半个月前的 #ethbeijing #ETHBEIJING

如果说香港大会给人的感觉是web3的纸醉金迷

Eth Beijing给人的感觉就是web3的希望和未来

参赛者平均年龄为大三，每个人基本都是全栈工程师，每个人都对web3有自己的理解，并且谈论的都是价值，都是解决问题，都是做有意义的事

...

林川 mtyl.eth ✅ @Mtyl\_7th · Apr 9, 2023

...

首先，感谢所有参赛者们的热情投入！不少团队在这三天中通宵达旦，只为了更高的Demo完成度；有些团队是初次组建、临时相识，但依然有非常不错的成果；有的参赛者尽管才大一，却用自己的技术实力证明了对Web3的热爱。活动现场氛围充满着对Web3的激情。

...

#ETHBEIJING something you can't miss

@WTFAcademy\_ @PKUBlockchain

...

Sake (██, █████) @YouthSake · Apr 9, 2023

#ETHBeijing 不虚此行！

高强度的脑暴和开发总是可以创造出意向不到的 idea 和 product，浓厚的极客氛围也更加能够驱动builders为Web3事业添砖加瓦。

感谢主办方@PKUBlockchain

@WTFAcademy\_ 和志愿者近日的工作，今日虽是结束，亦是伟大的开始！中国的builders加油 ❤️
